On Left Conservatism, Part Two

Thomas Dumm and Anne Norton

What follows is the second part of our coverage of the one day workshop on the subject of “left conservatism” held at UC, Santa Cruz in January of this year. Tom Dumm prepared the transcript of the question and answer period from a tape recording. Tom took the liberty of smoothing out “uhs” and “ohs,” as well as the occasional repetitions of phrase, in the interest of keeping the lively conversation readable in print. Anyone with any questions, protests, or desire for clarification should please contact us at <theory@amherst.edu>

Due to a series of unavoidable conflicts and illnesses, Jonathan Arac’s contribution to the symposium (regretfully) will not be appearing as a part of this symposium.
